All of our searches are performed without charge unless located, with the exception of disbursements. Please refer to our fee schedule for all fees, charges, and exceptions. We guarantee our locates for 10 days, with the exception of address for service, which may be time sensitive and will be indicated on the location report. An address for service can be anywhere at any time, and is not guaranteed outside of the location report. If a search is outside of our regular search parameters, we will contact you. Please note: we work for law firms, insurance agencies, government agencies, pension funds, and other legitimate businesses only.
